

Dear Colleague,

Letter # 1

We invite you to take part in **EWADE 2007 in Samara** city, Russia at **Samara State Aerospace University (SSAU)**.

The **schedule** of EWADE 2007:

- 30th of May – Excursion to laboratories of SSAU and visit of Samara city.
- 31st of May – Lectures; evening official supper.
- 1st of June – Lectures; dinner; excursion to Aerospace Enterprises of Samara city.
- 2nd of June – Travel on river Volga by boat and demonstration flights of small hydroplanes.

As in previous years, EWADE 2007 allows European lecturers concerned with Aircraft Design to discuss Aircraft Design problems as regards education and research. All presentations on this line are highly welcome. Particular focus should be given to cooperation projects with the aerospace industry and to topics that are at the forefront of aviation today, as there are:

- a) composite materials in airframe structural design,
- b) morphing structures,
- c) MAVs, UAVs, super light and super heavy aircrafts.

Please **confirm your intention to attend the workshop before 01/03/2007** and submit all relevant information for an official visa invitation letter.

For the **official visa invitation** we need the following information:

1. The image of the first page of your passport (page with photo).
2. Your position and business address where you work.
3. The address where we must send the visa invitation for you.
4. Duration of your stay in Samara (from... till...) and other cities which you plan to visit during this trip (for example: Moscow, Sankt-Petersburg, or ...).

Please send this information to the Head of International Department of Samara State Aerospace University, Prof. Alexander I. Danilin. by e-mail: alexdan@ssau.ru or by fax: +7-846-334-5722.

For all other questions please ask: Valeriy A. Komarov, Prof. of Samara State Aerospace University by e-mail: odin@ssau.ru.

You may also visit the **EWADE Homepage** for up to date general information on EWADE 2007: <http://www.AircraftDesign.org>.

Yours
