Hamburg Aerospace Lecture Series

Hamburger Luft- und Raumfahrtvorträge

<http://hamburg.dglr.de> ---- <http://hav-connect.aero/Group/Lectures>

Free lectures on aeronautics and astronautics organized jointly by the local branches of [DGLR](#), [RAeS](#), and [VDI](#) in Hamburg. HAW Hamburg ([PSL](#)) and [ZAL](#) are additional partners. Goal is the exchange of information among professionals and the education of students and young engineers. Topics range from historic reviews to current trends. A noncommercial and voluntary service of committed individuals and invited lecturers.
