

Hamburg Aerospace Lecture Series
Hamburger Luft- und Raumfahrtvorträge

RAeS Hamburg in cooperation with the DGLR, VDI, ZAL & HAW invites you to a lecture

“Aviation Safety Perspective”

Yannick MALINGE, SVP- Head of Aviation Safety, Airbus

Date: Tuesday 08 October 2024, 18:30

(light refreshments available from 18.00 and there will be a get-together with refreshments after the lecture)

Location: ZAL TechCenter, Hein-Sass-Weg 22, 21129 Hamburg (in-person only – not online!)

*If you wish to attend, please register online or send a mail to **Susanne Altstaedt**, susanne.altstaedt@gmx.de*

Yannick's presentation will revolve around aviation safety in today's context. He will touch upon a few topics highlighting some challenges of the aviation industry and evolution of commercial flight safety in the past decades. He will also provide an insight into Airbus' purpose, safety vision, strategy & enablers; how Airbus strengthens the safety culture within & across the aviation industry; about Airbus safety governance, prevention drivers, Airbus Safety Management System (SMS).

In 1998 Yannick joined the Flight Test Division as Head of Airbus Flight Test Technical Coordination Team during the A340 500/-600 and A319 corporate jet flight test campaigns.

Before taking over the Flight Safety Dept, he was Director Product Safety Process, in charge of reviewing the Airbus internal safety process.

In November 2003, he joined the Flight Safety department as Vice-President Flight Safety, with two main areas of focus: accident/major incidents investigation and accident prevention.

Since 1st October 2010, he has been appointed SVP & Chief Product Safety Officer.
